## Fourteen Days In Jail For Dangerous Driving

### LICENSE TO DRIVE SUSPENDED FOR THREE MONTHS

Henry Woodley of Toronto, charged with leaving the scene of an accident, driving while intoxicated and dangerous driving pleaded not guilty at police court on Tuesday. Lewis Raxlen of Toronto acted for the accused.

John Gates of Toronto stated that he was driving north on the Bradford flats on September 25 about 7.30 p.m. when he was struck by another car on the left side, damaging his car to the extent of \$37. The other car did not stop.

"I was driving south between 7.30 and 8 o'clock on September 25, about half or three-quarters of a mile north of the old man's home," testified Gordon Dean of Toronto. "As the result of what an air force fellow said, we followed this car. It was not driving in a proper manner, going from side to side. I honked my horn and flashed my lights and tried to get him stopped. I passed him and stopped my car at the corner of Eagle Street and stood at the side and tried to flag him. There were some soldiers standing at the corner, and approximately eight of us ran over and undertook to take the driver out of the car. He didn't appear to be exactly sober. My brother and I were going to take him home. The air force fellows and soldiers moved his car over to the corner. I was going to drive the other car and take the accused man home, and my brother was going to take my car, but unfortunately they wouldn't let us. I didn't know anything about an accident at the time."

Ross Dean, brother of the previous witness, testified that the accused was definitely a menace driving on the highway. He stated that the car was swerving from side to side, and that the man was so intoxicated that he had to hold him up.

"Your Worship, on Wednesday, September 25, at approximately 8 p.m., I pulled my car into Cook's service station," testified Constable Ronald Watt. "As I stopped, I noticed a crowd on the opposite corner. On getting out, I saw the two previous witnesses coming across the road with this man. One of the witnesses had hold of the man. The accused was having difficulty to walk. As the result of my investigation, I found that the accused man had a car which was sitting in Cook's parking lot. The fender was crumpled down against the wheel. The accused told me his name. His speech was thick, his breath smelt of liquor, his eyes were bloodshot and he staggered. I decided to detain him until I got in touch with Constable Ferguson. Constable Ferguson came along and the investigation was taken over by him."

"I examined the accused at the Newmarket Police Station," testified Dr. S. J. Boyd. "I asked him to come out of the cell. He got off the bed and staggered towards me. He talked more or less coherently."

## Citizens Asked To Co-Operate With Camp

### BANDS WILL DO THEIR SHARE

A deputation of Major Geary, Captain Patton and Capt. Falle from the military camp, waited on council Monday evening to discuss the forming of a local committee to assist in providing furniture and other equipment for the messes.

The Major presented the following list of essentials needed by Tuesday night: 36 easy chairs, 8 writing tables, 8 standing lamps, 6 table lamps, 8 standing ash trays, 36 sundry ash trays, 6 card tables, 2 ping-pong tables equipped, 2 dart games, 4 checker games, 1 croquille game, 16 decks of cards, 2 pianos and benches.

While it was a formidable list, the council decided to tackle the job and ordered hand-bills to be distributed Tuesday morning, advising the citizens of the needs. The response has been generous, but many more of the articles listed can be used.

Alec Eves, representing the Board of Trade, assured the deputation and council that the merchants and individuals would give their full co-operation to the Central or Citizens' Committee when it is formed.

### ALEC WEBSTER'S GIRLS WIN TITLE FROM THORNHILL

Newmarket Ladies last evening laced the Thornhill club in a play-off game at Aurora, to win the championship to the tune of 18-10. This game was a replay of the last game here some weeks ago which was called on account of darkness, with the Hill ahead three runs.

The local girls had to spot the other club, these runs, but they did it handily scoring almost at will.

The Hill girls scored one in the first, four in the third and two in the seventh, while Alec Webster's girls tallied one in the first, four in the second eight in the third, one in the fourth and four in the sixth.

Line-up: Miss Doane, 1b; Vera Beckett, 2b; May Brown, s.s.; Phil. Osborne, 3b; Marj. Hisey; Lois Manning and Mary Raymond, field; Marj. McCannan and Lucy Andrews, battery.

Lorne Ramsay called the balls and strikes.

### COST OF CUTTING RELIEF WOOD TOO HIGH

Ald. Bowser inquired at council Monday evening about cutting wood used for relief recipients. A temporary machine had been rigged up by his department but wages for three men totalled \$1.40 an hour. This was too much, and he thought a different system should be worked out.

"That's five times the cost it should be," said the Mayor.

"We'll get it cut by machine and not bother you at all," replied Ald. Higginson, chairman of the Relief Committee.

### LIONS HEAR STIRRING ADDRESS

Newmarket Lions Club on Monday evening were privileged to hear an exceptionally fine address by the Rev. Arthur Greer of the Christian Congregational Church on "Epitaph of the Lions." This address in detail will be presented in next week's issue.

Two new members, Mr. Bender of the Dorland-Bender Casket Co., and Harry Bell of Bell's drug store, were voted on and accepted.

The lucky number war saving certificate was won by Dr. Bartholomew, while Leo Cull won the attendance prize.

### CUT TELEPHONE CABLE DIGGING SEWERS

A letter from the Bell Telephone was read at council Monday night asking that town employees consult blue prints of telephone equipment underground before any sewers be laid or excavations made.

When the sewer was put in on Queen east, the workmen had cut a cable putting twelve lines out of order, causing considerable expense and inconvenience.

Ald. Bowser explained that he hadn't known there was such a print, but that the incident wouldn't occur again.

### SHELL SERVICE STATION RE-OPENED

Belfry Hamilton has leased the Shell Oil Station on Main street next to Sedore's meat market and commenced operation this week.

### NOT PRINTED IN TOWN

We wish to state that the programme for the High School rugby association was not printed at this office or at the Newmarket Era.

### Another Anti Tanker

### MRS. COCK TO ADDRESS PRESBYTERIAN W.M.S.

St. Andrew's Presbyterian W.M.S. will hold their Thanksgiving thank-offering meeting in the church on Tuesday evening, Oct. 15, at 8 p.m. Mrs. (Rev.) Cock, recently returned missionary from India, will give the address.

All ladies interested in missionary work are cordially invited to this meeting.

### SPEND WEEKEND IN TOWN

Ken Du Charme and Jack (Doly) Dolston of Stratford were the weekend guests of Charlie Holmes. Both these boys are hockey players of note, having played the past two years in A company with the Stratford Midlets.

Ken is a right winger, while "Doly," like his famous father, guards the twine.

### HERB CAIN OFF TO BOSTON

Herbert Cain better known as "Hee," left for Boston and the hockey wars on Tuesday. Herb was accompanied by his wife, young daughter, and Betty McHale.

### ASK THAT LEVEL OF SIDE- WALK BE CHANGED

Mr. Blackwood of the Shell Oil Co., appeared before council asking that something be done to the sidewalk level in front of the Shell garage on Main street. The garage was vacant for long periods at a time because new model cars could not be taken over the sidewalk. Now a new tenant was coming in.

Ald. Frank Bowser, chairman of the road and bridge committee, said that he understood that similar improvements had been paid for by the owners.

"This stretch has been terrible for years," stated Ald. Dixon. "The level of the sidewalk there has to be changed some time," said Ald. Evans.

Mr. Blackwood was advised that the matter would be looked into.

### BAND AT MILITARY CAMP TO-NIGHT

Newmarket Citizens' Band will provide a concert at the military camp this evening and will assist with music on other occasions.

### ROBERT CHADWICK HAS PIC- TURE HUNG IN ACADEMY

Robert L. Chadwick was notified this week by the Royal Canadian Academy of Art, that his oil painting, "Valley of the Holland River," March, had been hung in the art gallery in Toronto.

The exhibit is open to the public from to-morrow (Friday) for the next six weeks. Mr. Chadwick is to be congratulated on this splendid tribute that has been paid to his artistic ability.

## Institute To Hold Annual Fair

### BIG DOINGS AT TOWN HALL THURS- DAY NEXT

The Mrs. H. M. Aitken Lecture, Fall Fair and Patriotic Tea, under the auspices of the Newmarket Branch of the Women's Institute, will be held in the market building ground floor Thursday, Oct. 17, at 2 p.m.

This Fair promises many attractions. One of particular interest to the housewife, who wishes to delight the palate of her homefolk, will be the "Ideal Market," under the able management of the rural institute members. The tables will be laden with the choicest products of the farm, garden and culinary arts. It will be well to shop early as the supply is limited.

A splendid display of hand-craft will be arranged for your inspection. Some of these articles will be for sale, some will not.

The gadgets and gift shop will feature another big attraction. Here many good and useful articles will be offered at reasonable prices.

The home baking table will hold many a treat for the fortunate buyer.

A fine assortment of aprons will be on hand, as well as a carefully arranged White Elephant Table, and a post office booth, which will offer many pleasant surprises.

Each will be played in the evening. You are invited. Do plan to be at the Market House, ground floor, at 8 p.m., and enjoy your games.

The lecture and Patriotic Tea will be officially opened at 3.15. The hall will be appropriately decorated with flags and bunting.

Amongst those taking part in the opening exercises will be our own Mrs. Ross Evans, who was decorated by King George V for active service in France. She will be wearing her overseas nurses uniform and will be assisted by members of the militia.

Following the opening there will be musical selections, and then Mrs. Aitken's address.

Immediately at the close of the lecture tea will be served. The musical programme will be in charge of Mrs. Marie Draper Lyons and her Glee Club.

Tables for the tea may be reserved for you and your party by phoning any of the following ladies: Mrs. H. E. Adams, Mrs. Max Smith, Mrs. C. C. Rachar, Mrs. H. M. Hooker or Mrs. N. L. Matthews.

For those who are unable to secure tables, seats will be arranged, and a silver collection taken from those seated.

### WIDDIFIELD PARK AGAIN IN LIME LIGHT

An inquiry by Alderman Dixon as to what was going on at Widdifield Park, started the fireworks at council Monday evening—the first hectic session of many moons.

Ald. Dixon—"Might I inquire what is going on at Widdifield Park?"

Ald. Higginson—"There is nothing going on as far as I am concerned. Somebody is interfering with the property committee. If they want to run this committee, I will resign, but until that time I would like a little consideration please."

Ald. Bowser—"One of the heads of the Office Specialty came to me regarding the parking problem around the factory. He thought that if Widdifield Park got started, that it could be used as a parking lot. The military camp had some earth to dispose of, so I told them they could put it there."

Mayor Boyd—"People have been objecting to the numerous cars parked around the houses and the school. We can see daylight by using Widdifield Park for the cars."

Ald. Dixon—"I object to people doing things over the heads of innocents. I ask a perfectly innocent question, and I find that the chairman of the property committee had never been consulted in the matter at all. Things have gotten to a ridiculous standpoint. It makes certain members of council look ridiculous. We are the laughing stock of the town."

Reeve Lundy—"This is a tempest in a tea-pot. I don't know why you weren't consulted. Alderman Bowser thought he was doing the proper thing; if he hasn't, let's stop it."

Ald. Higginson—"Why wasn't I consulted. I am chairman of the property committee."

Ald. Dixon—"It may be a good thing, but why should they butt into other people's departments?"

Mayor Boyd—"We should have lots of give and take on this job. A difficult problem is being solved."

Ald. Higginson—"I've had it put over me four or five times."

Ald. Bowser—"I'm taking all the rap for this thing. Nobody made an effort to do a thing at the property. I got a fair and square proposition and acted upon it. I heard there was going to be a holler to-night, but I say let's do it even if the clerk fills it up."

"It was given for a children's playgrounds, now you're filling it up for a parking lot."

Ald. Dixon inquired regarding the municipal elections. He hoped there would be an election, but if there was an acclamation, would the council go in for the duration of the war. Clerk Matthews stated that he would go into the matter and give a detailed report at the next meeting.

Clerk Matthews presented a detailed statement of receipts, and (Continued on Page 5, Col. 1)

## One Thousand Youths Arrive For Training

### MILITARY CAMP SWINGS INTO ACTION TO-DAY

Yesterday morning we were on hand at the C.N.R. station to witness the arrival of the 21-year-old class coming to Newmarket's military camp for a month's training. The train pulled to a stop and seven hundred youths clamored forth. For the first time in their life possibly, they were leaving home for a month, but if there was any homesickness in that crowd it didn't show on their faces.

Of all sizes and dimensions (the smallest four foot seven, and weighing 72 pounds, the biggest well over six feet and weighing two hundred and forty) of all racial extractions, of all creeds, collectively these boys made a pretty picture of Canadian manhood. With a month's training, what a battalion of the cream of the crop these boys would make.

Yesterday morning these youths, clad in suits of every

## Newmarket Camp First To Be Completed

### SERG. GERRARD PRAISES TOWN- FOLK FOR HELP

Newmarket's military camp was completed yesterday—36 hours ahead of schedule—the first of four in this district.

This doesn't mean that work ceases at this training centre—far from it, but the remaining work is all detail. One hundred and eighty men are still on the job, and for the next two weeks some sixty will be kept on to make shelving, tables, etc.

Sergt. Jerry Gerrard, who has been in charge of the camp construction, will remain in town as military foreman of works. Jerry likes our town and our townsmen like the genial sergeant. He saw to it that all men of town and district got a liberal share of the construction work.

In the past few days a vast change has taken place upon the Stickwood farm, and in Connaught Gardens, as the finishing touches have been applied. Crushed stone roads have been and are being laid to and from the huts to the parade grounds, thousands of feet of duck boards (board sidewalks from the huts to the roadways) have been constructed, the grounds have been graded and sodding is almost completed around the officers' compound.

Windows and doors have all been screened. The cement floor has been laid for the large drill shed, and this will have to dry a week before work is started on the heavy structure. It is rumored that two additional huts will be constructed.

"The co-operation we received from the citizens in general and the council in particular enabled us to finish in such good time," stated Sergt. Gerrard. "All we had to do was ask Alderman Bowser for something, and he saw we got it. The same thing with the town foreman and his men, and the water and light department. Everybody has put themselves out to help us out."

## EDITORIAL

### THE BOYS ARE HERE

Yesterday morning we were privileged to witness the arrival at the C.N.R. station, of some seven hundred boys of the 21 class, called up for a month's strenuous military training. We were agreeably surprised with the calibre and careful attitude of these youngsters. Big and small, husky and slight, they looked like a gang off on an excursion—last night clad in their khaki uniforms, they had the attitude of soldiers in the making.

From the city, most of these chaps will find a vast difference from office life and cooped up spaces to the outdoor life and army training. It will be a strenuous month, with early rising, early retiring, strict diet and plenty of hard work. However, we opine that when we see these boys depart on the C.N.R. a month hence, they will be a soldierly looking lot, keen of eye, erect of carriage and with a different aspect on things in general.

### LET'S DO SOMETHING ABOUT IT

Last week the merchants and industries of town were called over the phone by a young man soliciting advertising at three dollars each for a program for the local high school rugby team's equipment. Many of the merchants understood that it was one of the staff calling, and that the printing was to be done in the town. Both were unfortunately not true. We do not know what percentage this chap worked on, but he at least made a fair week's pay for a few hours on the phone.

We would take the inactive Board of Trade to task in this matter, and urge that the president call a meeting at once to look into the virtue of appointing a committee of three to deal with such appeals. In this particular case the executive of the rugby team could put the proposition before the committee, and a grant could be made to assist with the purchase of equipment thus insuring one hundred per cent going where it is intended for.

In the past six months, at least two other salesmen have been in town, one to sell ten thousand covers for the books at the public library, the other selling advertising on a menu that never appeared. There will be more of these gentlemen, and if the merchants could say, "We have a committee of the Board of Trade which deals with such matters, see them," then it would save a good deal of bother.

### FIRE WASTES \$24,632,509

In pamphlets issued to call attention to Fire Prevention Week, which is being observed throughout the length and breadth of Canada from October 6 to October 12, the Canadian Underwriters' Association presents what is cogently described as "an account rendered to the people of Canada." This "account" shows that there were 45,755 fires in Canada in 1939, an increase of 1,651 in the total compared with the previous year. The "account" also states that the total property loss caused by fires in Canada last year amounted to \$24,632,509; that the per capita loss was \$2.18 and that 263 lives were lost. And it adds this note from the report of the Dominion Fire Commissioner: "This useless waste of human life and property would seem to symbolise our attitude towards fire." Could there be any more criminal indictment of our carelessness in this respect? Imagine... an average property wastage in Canada of approximately half a million dollars a week... and practically all of this attributable to carelessness.

In times of peace this would be a blot on the national escutcheon. It is an even bigger blot in war time when all energies are concentrated on production and conservation. Surely then, this is a time for a national stocktaking on a big scale in which the individual can play an important part. The carelessly discarded match... the careless smoker... the faulty stove pipes, heating apparatus or electrical equipment... the placing of hot ashes in wooden containers... these are only a few of the more common causes of fires which can easily be eliminated by attention on the part of the individual.

It is a part of national service in this critical hour of the Empire's history to see that all waste is eliminated and the reduction of fire losses is one form of national service that everyone can render simply by being more careful.

### A BETTER WORLD OF TO-MORROW

Americans are giving serious thought to their part in world affairs. They are examining three sets of facts: those of yesterday, which have shaped the present; those

facing today's world; and those which will fashion the world of tomorrow.

They are pondering what might have been had the United States cast the weight of its influence into the balance of international justice through the League of Nations. They are evaluating with impartial eyes the aftermath of non-co-operation, isolationism, and high tariffs in United States foreign policy. They are thinking that perhaps America will not be held entirely guiltless of responsibility for the present war in the analyses by future historians, states the Christian Science Monitor.

Although not fully agreed upon how far the United States ought to go, American public opinion evidently has concluded that American moral and material support, short of participation with manpower in the war, should be liberally afforded to Great Britain. Meanwhile many are earnestly pondering what form of organization shall follow the war—contemplating that world of to-morrow which to-day is being shaped.

Two possible worlds rise in vision before us. One is the world of hate which Hitlerism is even now forging. Make no mistake—the pattern is already cut for that world, and the machinery for fashioning it is grinding out its product. That would be a world without peace—an outward semblance of peace perhaps, dictated by fear of death and worse—but no peace in the breasts of men.

The grimmest facts must be faced squarely. At best, a victorious Germany would turn America into an armed camp. A mad race for armaments would drain the Nation's substance. Foreign trade would be dictated on intolerable terms. Standards of living would shrink to undreamed of depths. American citizens would groan under a crushing burden of taxes.

There is another world that may be tomorrow's—a better one, brightened by peace, permanent peace and good will. Christian ideals have the power to build such a world. Paganism must be dispelled if this better life is to be. There can be a world of freedom, of abundance for all mankind, of lighthearted joy.

What is the price? The price is international co-operation, some kind of a union of nations, perhaps an improved League of Nations based on universal brotherhood, perhaps an entirely new structure of international justice and organization for peace. But before that can come about the forces of aggression must be completely stopped and the illusion of ruthless might must be shattered.

If not, Hitler and Mussolini, and perhaps Stalin, will dictate the peace treaty with no help wanted from the United States. The world of tomorrow will be their kind of world. Americans must decide which of two possible worlds they want in the tomorrows which lie ahead.

### NOTE AND COMMENT

This is Fire Prevention Week—clean up and save the fire brigade a run and yourself trouble.

Coming in Eagle Street of a sunny afternoon the gaily colored maple trees, Pickering College, the freshly-painted water tower, the high school and the houses nearby make a mighty pretty picture.

The town has several desirable building lots in Connaught Gardens for sale. Would it not be a good idea to advertise these lots so that any citizen desiring to build a home in this section would have an opportunity to look into the matter?

The question of water was not discussed at council Monday evening, but at one time it looked as if this precious commodity would have to be poured over a few of the boys to cool them off.

"Thanks for the cigarettes," writes practically every Newmarket boy overseas. If you do not care to contribute to the Soldiers' Comfort Fund you can send three hundred cigarettes over for one dollar. Ask your tobacconist about it.

Once more, through this column, we would bring to the attention of the Police Commission, the danger of allowing cars to park on the Timothy street hill, from Main to Cedar Streets. With the advent of the new camp, this thoroughfare is going to be used more than ever. Might we suggest no parking painted on the pavement, and if the motorists still persist, a more forceful reminder.

#### A LITTLE COUNTRY PAPER

I get a little paper from a little country town—A far cry from the dailies that on Sunday's weigh me down; It's printed every Thursday, and it has no supplement, Nor colored rotogravure, but I'm always glad it's sent.

It gives no clever verses by the syndicated bards, But states that Mrs. Williams entertained some friends at cards; "Ye scribe" saw Judge McArthur shaking hands with friends today—It says the Curtis family sold out and moved away.

On Boulder Dam it's silent, And there's nothing on finance, It tells that the Rebekahs gave an installation dance, That Miss Day is returning soon to open up her school, That Alexander Hargrave lost a valuable mule.

It's glad that Jimmy Gallagher can be around again; It claims that the alfalfa crop is much in need of rain; The supervisors voted for the road work to commence; Mr. Smith has bought the lumber for his new garage and fence.

The worldly ones may smile at it, but theirs are tender smiles, These home town items form a bond through many years and miles. Oh, little country paper, with your little weekly talks! I like to wander with you down remember roads and walks.

A young man called to take a girl out, and while he was waiting for her, her small sister entertained him.

"I say, how old are you?" asked the child.

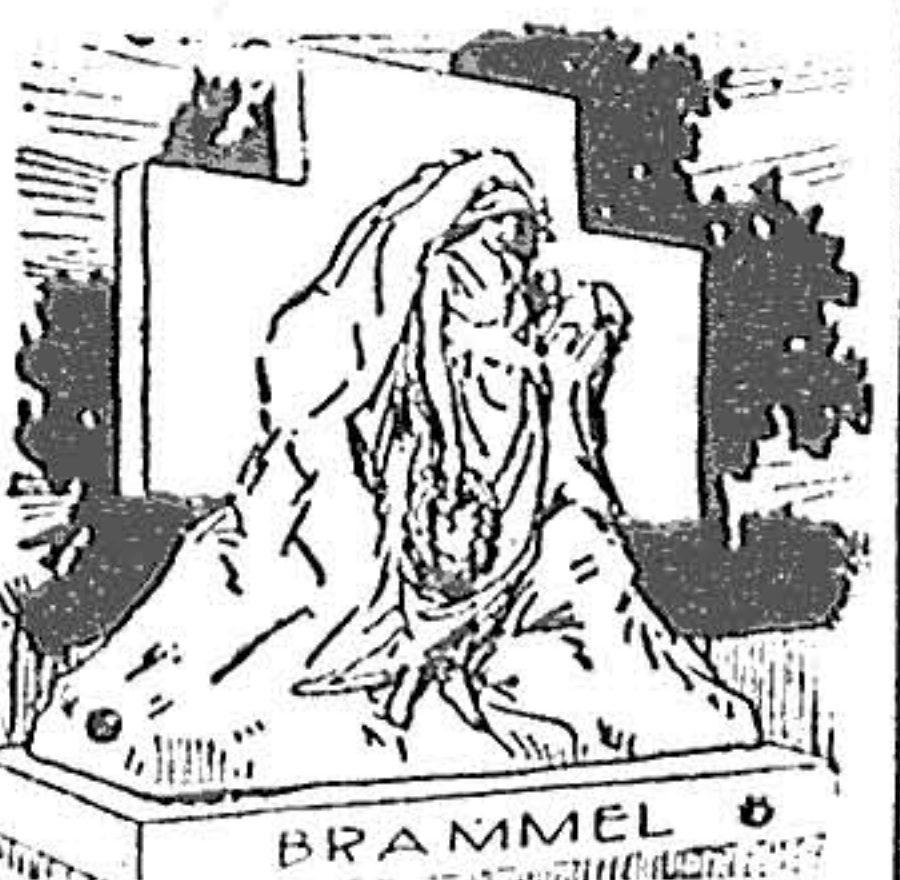

The young man smiled and answered the question, only to meet with another.

"Are you married?" He assured her that he was not. At this moment the girl's mother appeared on the scene, and the little girl turned to her and said:

"He's O.K. so far, mummy. Is there anything else you want to know?"—Clipped.

A novel machine for testing warmth of fabrics is equipped with refrigerating units, heating coils, blowers, and other "weather" makers.

Traffic lines of neon light tubing under a red transparent cover of plastic embedded flat in the pavement are being tried out in Little Rock, Arkansas.

# YORK COUNTY PURCHASES FIFTY MORE ACRES FOR TREE PLANTING

Negotiations have been completed between municipal and York County reforestation officials, for the purchase of 50 acres of land adjacent to the Vivian Forest for the planting of approximately 150,000 trees.

The land in the past few years has been non-productive but is ideal for reforestation purposes. Reeve James Rennie of Markham township and Reeve William Pugsley of Sutton completed the negotiations on behalf of the county.

Tracts of land in the Holland Marsh area have also been earmarked as prospective reforestation areas and are being inspected by county officials. It is hoped that within a few months York County will rival any county in the province in reforestation and conservation projects.

## TWO-PIANO RECITAL

By Clifford Poole and Gordon Hallett of Toronto, Thursday Evening, October 17, at 8.15 Admission 25c

The above recital is the first of a series of events which we are planning to carry out during the current academic year. The number and nature of such events will be conditioned by the response to this opening recital.

It is our desire to provide from time to time, musical programs or public lectures which will be of interest to the people of the community, and it is hoped that this opening recital will meet with favour.

Will those receiving this announcement be good enough to make the event as widely known as possible, to others who might be interested.

Mr. Poole has been the Director of Music at the school for a number of years. He and Mr. Hallett have come to occupy an outstanding place in the musical life of Toronto. Their recitals have been favourably commented upon by music critics wherever they have been heard.

# Home Improvement Winners Announced

## BOGARTTOWN COMMUNITY CLUB SPONSOR WORTH WHILE EVENT

We would like to congratulate the Bogarttown Community Club in sponsoring such a worthy project as their recently completed Home Improvement Contest.

A great deal of thought and effort has been given to this work by many of the contestants. Many well planned permanent improvements have been made. Any project that encourages sanitation, beautification, and the installation of labor-saving devices on the farm and in the homes is well worth while.

"I believe that the contest has not only been of great value to the contestants, but also to the whole community, and should by all means be continued," stated Sanford King of Pickering College, who was the judge for the 1940 Home Improvement Contest conducted by the Bogarttown Community Club.

The contest was officially closed and the prizes awarded on Friday night at the home of R. E. Johnson, who took first prize.

Mr. Johnson, who recently purchased the old Currey place on the 2nd, has literally transformed the buildings and surroundings so that they now rank among the fine homes in the district. Due to the generosity of the local business concerns there was a prize for every contestant.

Mr. Johnson's prize was a beautiful porch rocker, with cushion, given by the Bogarttown Community Club.

After Mr. Johnson, the contestants and the prizes they were given came in the following order:

Harry West, dessert set; Harry Penrose, tourist jug; J. Stiek Roadhouse and Rose; R. E. Johnston, American Pad and Textile Co., trousers and shirt; E. Starr, Patterson's drug store, first aid kit; B. Dike, Farmers Co-operative, motor oil; H. McClure, Canada Rex Spray Co., stockaid; L. E. Ewart, Bell's drug store, \$2.00 merchandise; W. Lundy, Don Fines, bread tray; C. Chalklin, Morrison's, \$1.39 merchandise; A. Penrose, Johnson Floor wax Co., floor polish; Carroll Barber, stationery, Era printing office; Dr. Edwards, classified ads, Era printing office; G. Stevens, fly box and sprayer, Canada Rex Spray Co.; L. J. Harper, electrical appliance; J. E. Nesbitt; James Prior, cleaning and pressing, Eves and Duncan; Mrs. Tucker, 1/2 gal. paint, Macnab Hardware; Whittaker Bros., 1 year subscription to Express-Herald; Ross Armitage, carving stone, Canadian Carborundum Co.; Frank Williams, gloves, Smith's Hardware.

After the prizes were awarded plans were laid for another contest to start by Nov. 15, and continue till next September.

Considerable interest is already being shown in the next contest and many of the old contestants have already signed up.

The Community Club is very grateful to the local merchants who gave prizes and helped make the prize list really worth while.

## SEPARATION ALLOWANCE FOR MOTHERS

The dependent mother of a soldier whose wife is also receiving separation allowance receives \$20.00 a month in allowance, and \$6.00 assigned pay. Where there are children and the soldier is a widower or no allowance is being paid to the wife, the mother may receive \$35 a month, the amount of allowance provided for wives.

## VETERANS ELECT OFFICERS

## Weddings

WOODCOCK—HARDEN

The home of Mr. and Mrs. Zeb. Harden was the scene of the wedding on Saturday, September 28, of their oldest daughter, Alice Ida, to Kenneth Hugh Woodcock, eldest son of Mr. and Mrs. Joel Woodcock, all of Newmarket. Rev. Burton Hill officiated, and Mr. James Bowdrey played the wedding music. Settings of asters and gladiolus in pale hues, and pink and white streamers formed a lovely background.

The bride, given in marriage by her father, wore a street length dress of soldier blue sheer wool, with navy halo hat and accessories, and corsage of deep red roses and fern. Whatever it costs to put it in your Hammel, wore mulberry sheer, with matching halo hat and black accessories, and corsage of yellow roses.

Mr. Melvin Ruddock was best man. Messrs. Bruce Mortimer and John VanDenburgh were ushers, and Miss Doris Harden sister of the bride, and Miss June Hill, cousin of the bride, sang "O Promise Me" during the signing of the register.

The reception which followed was held at the R.S.A. Bugle Band Hall, which was tastefully decorated in pink and white. The bride and groom received with their mothers, Mrs. Harden mother of the bride gowned in figured navy crepe with navy accessories and corsage of pink roses, and Mrs. Woodcock, mother of the groom, in black sheer with black accessories and corsage of red roses.

After the reception the happy couple left by motor for Prince Edward county and points east.

GILKES—LOVELOCK

St. George's Church (Sibbald's Memorial) Sibbald's Point, prettily decorated with bronze and mauve autumn flowers, was the scene of a very pretty wedding on Saturday, October 5, when Violet May, only daughter of Mrs. Edith Lovelock, Newmarket, and the late Wm. Lovelock, became the bride of Harold Morley Gilkes, son of Mr. and Mrs. Wm. Gilkes, Newmarket. Rev. P. G. Powell, the rector, officiated.

The bride, given in marriage by her brother, Mr. Earl Lovelock, entered the church to the strains of Mendelssohn's wedding march. She looked attractive in a gown of white mousseline de soie over satin, which buttoned from the neck to the waist, with full skirt. Her Juliet cap and shoulder length veil was held in place by lily-of-the-valley. She carried a cascade bouquet of sweetheart roses and white violets.

The bride was attended by Miss Bertha Winkworth, who was gowned in blue sheer, with sweetheart hat to match, and carried a bouquet of mixed roses. The groom was attended by his brother, Mr. Don Gilkes. During the signing of the register the organist played "O Promise Me."

After the ceremony a reception was held at the bride's home. The bride's mother received, wearing a gown of navy flowered crepe with matching accessories, and a corsage of red roses. The groom's mother, who also received, was gowned in grey crepe with matching accessories, and wore a corsage of red roses.

The couple left on a motor trip to Western Ontario. For travelling the bride donned a black crepe dress, with port wine accessories and navy coat. On their return Mr. and Mrs. Gilkes will reside in Newmarket.

Out-of-town guests attending the wedding were from Aurora, Barrie, Toronto and Hawkeston.

## IN MEMORIAM

**JONES**—In loving memory of a dear husband and father, Robert William Jones, who passed away October 5, 1936.

Dear is the spot where he is laid. Many a visit in silence is paid. Loved in life, remembered in death.

Treasured in memory as one of the best. Calm and peaceful he is sleeping. Sweetest rest that follows pain; We who loved him sadly miss him. But trust in God to meet again. Always remembered and sadly missed by his wife and family.

## IN MEMORIAM

**LAWSON**—In loving memory of a dear wife and mother, Mereda Josephine Lawson, who passed away October 12th, 1937. It's hard to break a tender cord. When love has bound the heart, It was hard, so hard, to speak the words.

"We must forever part." Our lips cannot speak how we miss her, Our hearts cannot tell what to say.

How we long to hear her footsteps In a home that is lonesome to-day.

No morning dawns, no night returns, But we think of you. Those left behind are very dear, But none replaces you. You tolled so hard for those you loved.

Then left us to remember. Sadly missed and lovingly remembered by husband and family.

Mr. Thos. Pritchard of the post office staff is home on account of illness.

Mr. Alfred Stark of Flint, Mich., is spending a few weeks in town with his brothers, James and George.

Mr. and Mrs. Hugh Byrne of Temiskaming, Que., arrived in town last night from Merriton, where they spent the past week visiting Mr. Byrne's mother. They will spend Thanksgiving with Mrs. Byrne's mother, Mrs. E. Rose, Millard Ave.

Mrs. Archie Malloy and twin sons of Ridgetown was renewing acquaintances around town over the weekend after an absence of five years.

## Our Weekly Chat

By Golden Glow

There are so many things happening these days that one can hardly confine one's self to a single subject. I want to write about the lovely autumn flowers that adorn our gardens all over town; speak of the beauty of the "calcium" or autumn crocus; then, too, the harvest festivals, with churches decorated with grain, fruit and vegetables, and the marvellous autumn flowers. But above all else, the miracle of Newmarket camp crowning Strigley Street hill, adjoining Connaught Gardens!

Two short months ago, or perhaps less, it lay there just another farm in a quiet countryside, on a road where traffic signs were not needed, for it was a seldom travelled road, except by those living there, and to-day as I write, Wednesday, Oct. 9, over a thousand youths of 21, arriving in time for dinner, who will make it their home for the next month, with everything complete, a model up-to-date camp.

As I crossed the C.N.R. overhead bridge on Queen St. this morning, I stopped to see what was attracting the attention of a group of folks, all intently watching the C.N.R. station—and there, on the platform, massed thickly from one end to the other, was the first trainload, coming from the south, ten coaches of young men for the camp.

I saw them later as they passed along Prospect Ave. In fact, I had to wait till the long column marched past with an officer at either end. Some were looking very serious, some jaunty, some just going quietly along smiling over at the group of us standing there, waiting for them to pass. Some were calling to a dog up above on an upstairs verandah. It was barking excitedly, no doubt wondering what it was all about!

Some carried their belongings in trim little overnight bags, some in quite large suit-cases, which they were finding rather awkward to carry. Some had cardboard boxes, some paper bags and some nothing at all—absolutely nothing! But they may have carried their toothbrush and safety-razor in their vest pockets! Then, as I returned along Queen Street, I could see more young men marching up Huron street. They must have come on the train from the north, which was just pulling out from the station, as I recrossed the bridge.

My heart ached for them, and for all of us! It looks as if we, too, will be drawn into it and will be tasting the horrors of war before all is over, and we are victorious. Yes, we will win in the end! It really looks as if the whole world must be drawn into the conflict. How can we hope to be spared? Why should we escape? I have no more doubt of the final victory than anyone else, but those columns of young men marching so bravely towards the camp for their initial training, brings the war pretty close (if it needed to be brought any closer to some of us), and I had a vision of seeing them again march at the close of their month's training, all in uniform, all in perfect step, all proud to be "King's men!"

All over Canada to-day will be sad hearts, in spite of the fact that everything humanly possible is being done to make the month's training pleasant for the 21-year-olds, as well as strenuous. From one end of Canada to the other, marching columns of young men, heading towards their respective camps, will be watched, as I watched those coming to Newmarket camp yesterday!

In a month's time we shall see more men of the next class being called up, and see them leave the train and quietly march to their camp, and leave it with their month's training in the arts of war. And so, on and on! And when they are needed they will quickly respond, and will have that month's training for a foundation to army life.

Someone remarked that the band should have been out to meet them—but why? They are not on a picnic! This is much too serious a business. There will be plenty of time for parades, later on; and I honestly think it is far better that they should quietly leave the train, and as quietly march to camp unheralded.

No one likes to be called "The Awkward Squad," now do we? And in a few weeks of intense training, they will certainly march, instead of just shuffle and amble along any old way.

But they looked a splendid, healthy sample of young Canadian manhood, and I hope and trust Newmarket camp will always live in their memory as a particularly pleasant place long after their month's training is over. Newmarket is all set to do what it can towards that end, at any rate, and it depends on the young men themselves, I should say. If they treat Newmarket people right, Newmarket won't be able to do enough for them, I'm sure! Is that not correct, fellow citizens?

I cannot get over the amazement of seeing that camp take concrete form in so short a time,

but I have written enough on the subject, I am sure. I have taken up nearly all my space, and I have so many other things I have had in mind for our weekly chat.

I want to speak again of the lovely black squirrels round our town, and how friendly they are. I had a few peanuts in the shell left in a bag that I had for them, when a friend was staying with me last week, and she could hardly believe her eyes when she saw how unafraid they are.

Then yesterday I was up to see a neighbor's garden, and along came one of the beauties, so sleek and furry, scurrying round near us. She said: "Do you want a cookie?" and you'd think it understood, for it sat up on its hind legs and looked for all the world as if it were begging for one. So she went in to get one, and it ran up a tree near the kitchen door, watching for her return. She stood on the porch, while I remained standing a few feet away, and called to it, "Come on little squirrel," and did that squirrel ever come, and sat up so daintily and nibbled at the cookie in her hand, then she said "Take it," and it took it and sat there on its haunches, holding the cookie and nibbling away in perfect ecstasy.

All my neighbors' gardens are lovely. On Sunday I saw some wonderful dahlias in one garden up the street—a lovely pink one was 11 inches across. They were of every color, and all beauties. They gave me a bunch of the delightful little pom-pom dahlias and also some October roses. They have delphiniums flowering beautifully as if it were spring, and beautiful zinnias, French marigolds and asters, oh, every known autumn flower flourishes there in that lovely garden.

But before I end up, I just want to add a few words about our feathered friends. I have already started putting chopped suet and crumbs, etc., out for the birds so that they will get accustomed to the places I have arranged for them before the snow flies. Do that, and you'll have company all winter, even if the starlings do get the lion's share, you'll get plenty of other birds too. To-day, I had the great pleasure of feeding some robins. They will have to leave us soon now, worse luck!

And oh! What about the Caledon hills, now that the trees have assumed their autumn tints? And the Hawkeye Valley? We took a Thanksgiving trip there one year, and it was gorgeous!

What are Your EYES WORTH

Are you one of those who say . .

"My Eyes Are All Right"

Only a competent refractionist can tell you if your eyes are all right. Thousands of men, women and children who do not now use glasses, should have them to preserve their sight and health.

Thousands who do wear glasses might enjoy greatly improved eye comfort if they became acquainted with the very latest scientific development in eye-sight correction.

CORRECTAL Lenses give clear, undistorted vision not only at the center of the lens, but right to the very edge. They are the most modern and most efficient aid to correct, comfortable vision.

If your eyes do not feel comfortable, or tire at times, it is your "danger signal". It is a warning that your eyes should be thoroughly examined by your refractionist.

## STORMY SESSION OF COUNCIL OVER INTERFERENCE

(Continued from Page 1, Col. 7) the budget for the year thus far, which will be published in the next issue.

Mayor Boyd—"I wish to compliment Mr. Mathews for the way he gets this report up."

Ald. Evans—"It doesn't give a proper picture. It shows that we spent much more than our budget, but doesn't show why. The man on the street doesn't understand it."

Mayor Boyd—"The people realize that the water and light committee is doing a good job. While everything isn't explained here, it will be at the end of the year."

Reeve Lundy—"With the camp coming here, we will be able to dispose of the vacant lots owned by the town in Connaught Gardens, and in other districts. The maintenance men will build little homes for their families. The question is, how many lots have we on hand. There are two lots facing on Gorham Street that we have had several inquiries about, but the militia asked us not to sell them, as they may be needed. Would it be advisable for the clerk to advertise all lots that are for sale?"

Ald. Evans—"I would make a list. People in the factory ask me about lots. I would like to know what we have, and the price."

Clerk Mathews—"The assessor has recently given me a list of lots owned by the town, but I don't set the price. That is up to council."

Ald. Higginson reported that the matter of the Palmateer house in Connaught Gardens had been settled, as the Palmateers had decided to remain where they were, and operate a small business. The only tender received for the moving of the house and erecting it on a new foundation was \$1,000.

Ald. Bill Dixon, chairman of the police commission, advocated that in order to reduce speed on Prospect Street, and the increased traffic that would come along Strigley Street from the military camp, that Prospect be made a stop street at this junction, and Strigley the through street.

Clerk Mathews—"It might reduce speed, but it might increase accidents. Few outside motorists would realize that there was a street there."

Chief Sloss—"It would be up to the motorists coming along Prospect if the street was properly marked with signs."

Mayor Boyd—"Could we make it a one-way street and return the traffic through Connaught Gardens and Main Street?"

Ald. Evans—"The commission has recommended that Prospect be made a stop street. Let them try it out."

Clerk Mathews—"You would have to get the approval of the Department of Highways."

Chief Sloss—"Could we get the opinion of the department and see what they think?"

This will be done.

Ald. Dixon stated that many of the householders near the Specialty were complaining of their driveways being blocked by cars belonging to the men working in the factory. The cars were parked both sides of the streets

(Continued from Page 1, Col. 2) ment at the camp, told of the urgent need of two pianos, and while he realized that these couldn't be secured at a moment's notice, he hoped something could be done in the near future.

Mayor Boyd explained to council that the camp was a district responsibility, and thought that throughout the fall and winter months organizations in various centres would be putting on eueches and other events to raise funds for the camp needs.

"We do not want to hog all the privilege of providing these things," declared the Mayor.

J. O. Little, representing the Citizens' Band, stated that the band boys were putting on a concert at the camp on Thursday evening. The band were willing to assist until the camp got organized, and on its feet.

"Col. Ralston, Minister of Defence, asked us to furnish a band gratis," said the Mayor, "but I explained that while we had two top-notch bands, they were all working boys and couldn't give too much of their time. However the government has been at a great expense and can't handle everything at once. Eventually there will be a band in camp at soldiers' pay, but until this time we will have to help out. The town is going to benefit in dollars and cents, so we can afford to be a little more generous with our support to the band."

"Have you done your share toward making life more cheerful for anybody?" asked the genial Sunday-school teacher.

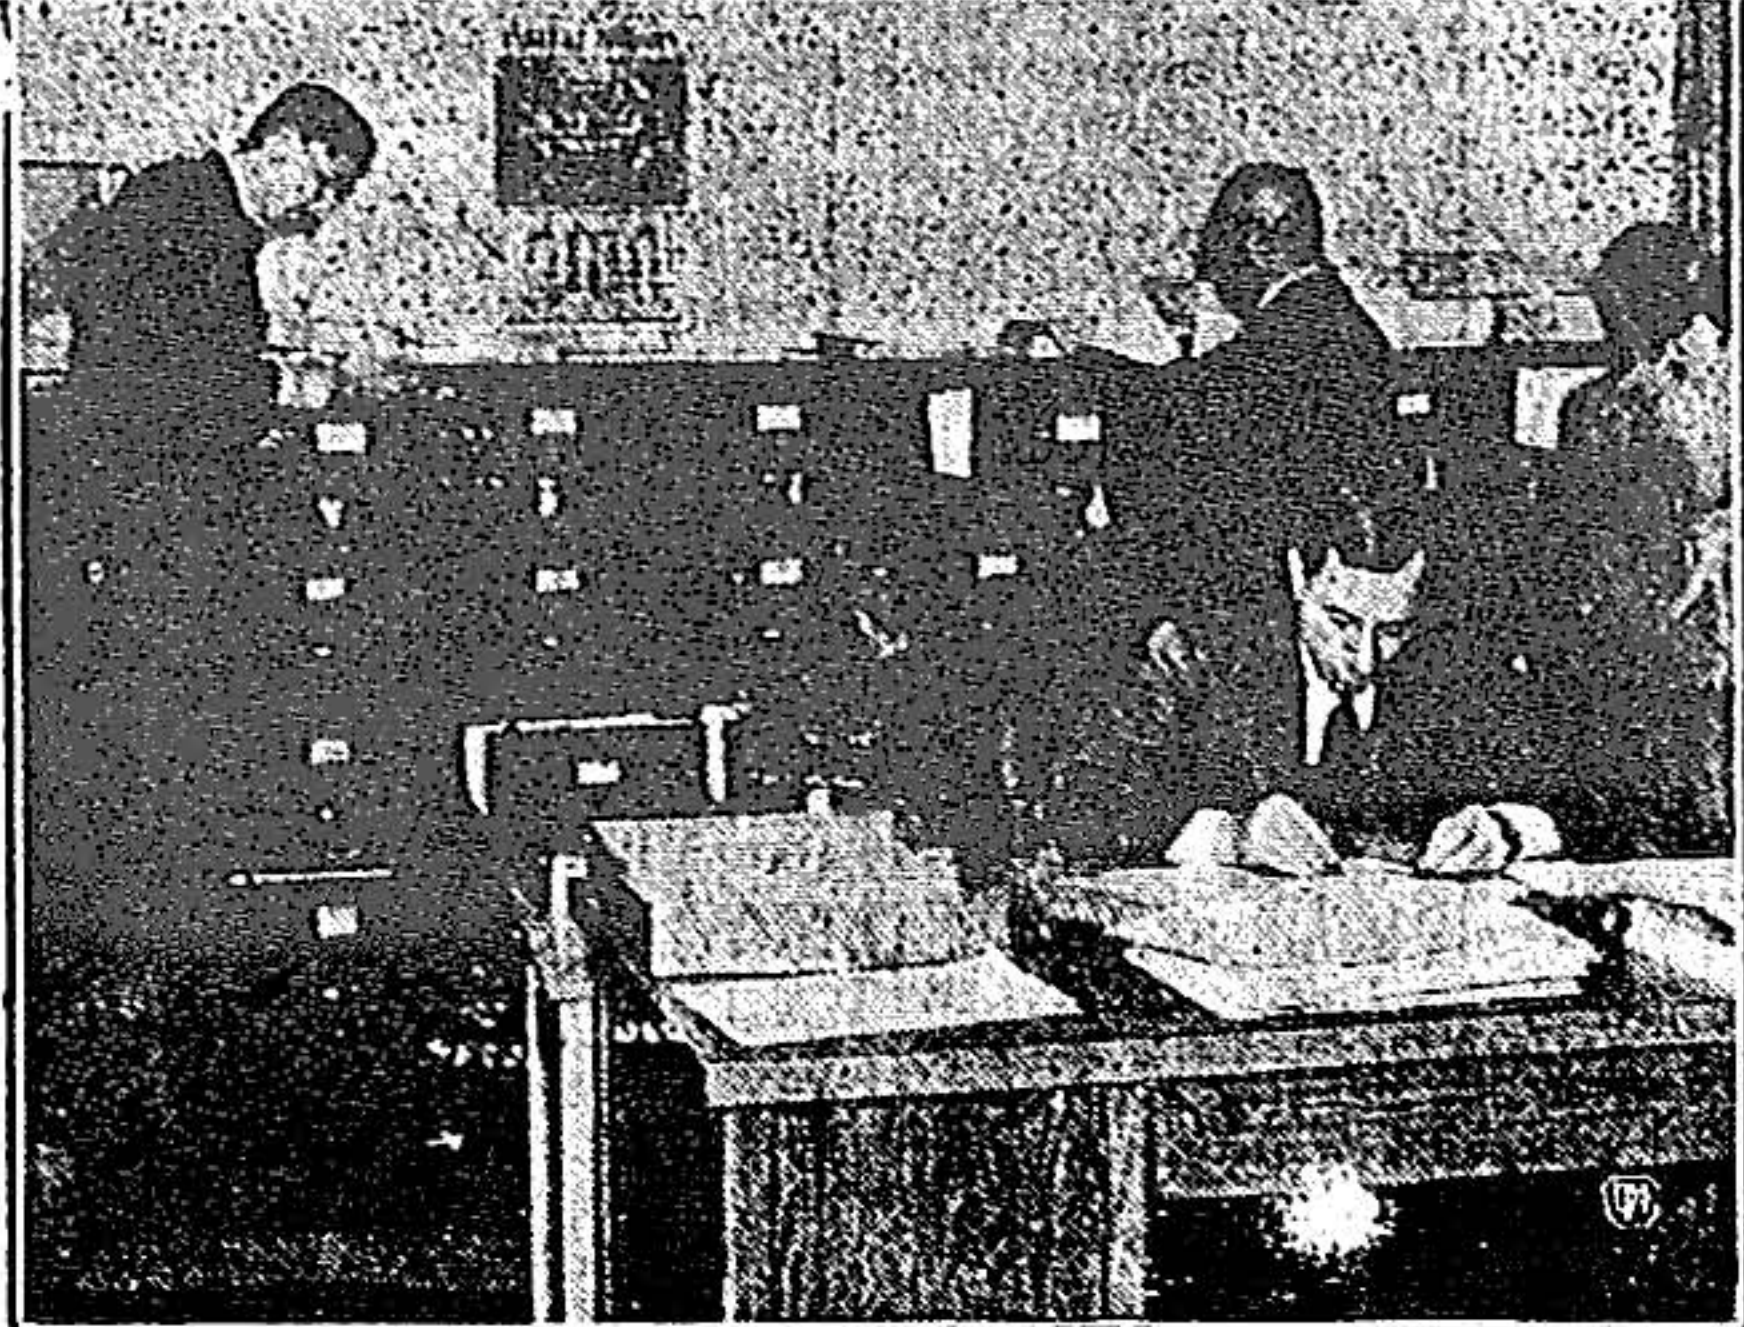

"I have, I gave a crowd of people the time of their lives this morning. My hat blew off and I chased it two blocks."

"What does it mean, Tommy," the Sunday-school teacher asked, "where it says 'they rent their clothes'?"

"I suppose they couldn't afford to buy them," replied Tommy.

and in front of the school. It was extremely dangerous, as school kiddies duck out between the parked cars.

A solution will be worked out with the Specialty.

Under the direction of Hon. J. G. Gahan, minister of national war services, 30,000 physically fit young men between the ages of 21 and 24, inclusive, are being called up for military training during the next few days. Shown above are scenes of activity in the Montreal division, largest administrative division in Canada. In upper left, Mr. Justice A. ## Letters From Overseas

Sept. 6.

Dear Ang:

Just a line to thank the citizens of Newmarket, the Veterans Association and yourself for the very nice parcels and cigarettes which I have been receiving monthly.

The articles in the parcels are always very useful and have always arrived in good condition. The cigarettes are like manna from heaven. Cigarettes and tobacco here cost a small fortune, and I can always use them as a lot of fellows are not as fortunate as myself, and do not receive any, and consequently every time you smoke a cigarette it costs you three or four.

Incidentally I might add that, apparently very few towns send anything to their boys overseas, and certainly no town has surpassed Newmarket in this respect.

I have been stationed at several places lately, the names which I am not allowed to mention. They have both been nice places, and the one town really put themselves out to entertain us. Dances, afternoon tea parties, garden parties, dinners in private homes, etc.

The air raid warnings are going all the time now, but they have not bombed very close to where I am, that is since we were bombed and had several men killed, a lot more injured at Aldershot. I, however, was very fortunate, and I was not even shaken up at all.

Well Ang, I will close now, and thanks once again for your paper which arrives in every batch of mail, and I really look forward to reading the news of Newmarket and district. I was very pleased to see where Ken Newton had signed up, and I am looking forward to seeing him one of these days. And let me add, there will be a soldier! One shot Newton.

Yours sincerely,  
Pte. Vern S. Clark.

924 North Circular Road,  
Circlewood, N. W. 2.  
Sept. 16, 1940.

Dear Aunt Alice,

I don't know whether this will get finished—we are in the middle of another air raid—the fourth or fifth to-day, we get so many now that we lose count. The guns are all round us and the noise is terrible, but we don't mind the noise, so long as they keep the bombs and planes away. Although we have had bombs drop very near us, (and six in the works opposite Mum) it is surprising the comparatively little damage that has been done, and the way the people stand up to it.

I still hold my whist drives for the troops, and although we may get a warning in the middle, or almost before we start, all the people stay and finish just as though nothing has happened. Rebel doesn't like the sirens, but is very good and keeps quite quiet so long as I come downstairs, but Cherry gets hysterical and runs down to the shelter at Temple Roads before anyone, once there he starts looking for

rats and doesn't mind the noise.

Billy doesn't do a thing, just takes it all as a matter of course. By the way, it was given out on the radio the other day that the mails from Canada between May 7th and 29th had been lost. I don't know whether you remember whether you or John wrote to us during that time.

Fred and I managed to get a few days change at Hove (near Brighton) can't call it a holiday in the present circumstances, but I think it did us good. Fred played golf, and I walked round and found the ball for him!

I wish I could persuade Mum to go away for a little time, as she really needs some rest. She can't sleep through the noise. I'm afraid I do, in fact, I rarely hear the all clear which comes round about dawn.

"I'm sorry if this letter is a bit depressing, but it's not meant to be, though it's a bit difficult trying to write about ordinary things when the gun barrage is going on."

Tell John I will write him if I can later on, but really there is very little to say nowadays, it's all war and air raids! No time for penicils at Stanmore. I sometimes wish we were all over there with you. At any rate, I wish Mum and Pop would go to Canada.

I have just asked Fred whether there is anything he wishes to say to you, and what do you think he said? Well, this is it: "People don't seem to mind much about the raids, but there has been a tendency to higher sales in our business!"

Don't think I have anything further to say, so, with love to all,

P.S. We survived the raid and three further ones since I started this last evening at 8.30 p.m. Now it is 12 noon, Sept. 17.

Sept. 17, 1940.

Dear Ang—

I thought I would drop you a few lines to let you know what is really going on over here in England. Well we have air raids four and five times a day, and mostly all night. In fact, there is an air raid on right now while I am writing this letter to you. It has been on for over five hours now, but what in the hell is the use of being afraid, because if a bomb hits us, we won't know it after.

Oh well, we have had a couple of close shaves in the past month. One last Friday morning lit on the road about 100 yards in front of the truck. I was in, but nobody got hurt, and thank God for that.

Well Ang, I guess you will be surprised to hear that I am married now. I got married since I came over here to England. I have only been married one month to-day. I got married on my birthday, that was August 17. I was 24, and my wife will be 23 on November 15, so there isn't much difference in our ages, but a lot of difference in our height. She is only five foot one, and I am six foot.

Well Ang, if you want a picture of her to put in your paper,

Talking to a couple of the lads from Aurora last night, we learned that while they had stew for dinner and stew for supper, it was darned good and plenty of it. They, however, hoped they wouldn't get it for breakfast.

They were also well pleased with the comfortable looking beds with new blankets, and their issue of great coat, blouse and pants, gaiters, two shirts, two suits of underclothes, three pairs of socks, hat, heavy army boots and a pair of canvas shoes with heavy rubber soles.

Next week we hope to give our readers a more concise report of army life, and will endeavour to interview two of our local lads at the camp, Bruce Prest and Ross McMullen.

Keswick Christian Church are planning anniversary services. First will be the regular Ladies' Aid Tea, the evening of Oct. 16, which will be also an anniversary tea. The ladies always plan a delicious meal, and after the tea a play will be given by the Ringwood Christian Church Young People.

Anniversary Sunday services will be held Sunday, Oct. 20, both morning and evening. Special music expected from Toronto.

Miss Marjorie Glover was at home from Toronto for the week end.

Miss Margaret Peel of Toronto has been enjoying some holidays at home.

The Red Cross drive for money here was very successful, bringing in a total of nearly \$220.

Mrs. Thos. Mann attended the diamond wedding anniversary on Sunday, Oct. 6, at Belhaven, of her sister, Mrs. W. Thompson and Mr. Thompson.

Quite a number of Institute and other friends surprised Mr. and Mrs. Carson Pollock on Monday evening, with a shower to help in the replacement of much that was lost in their recent fire at Island Grove.

Mrs. Wm. Davison spent Saturday in Toronto on business. Mrs. Felton also returned to her home in Toronto.

Mr. and Mrs. E. Bell and Master Ray have moved back to their home in Sutton.

Mr. and Mrs. Ken Morton and family have also moved to Newmarket from Roche's Point, where Mr. Morton has been employed.

The Lakeside Women's Institute held a very enjoyable and profitable meeting on Wednesday afternoon, October 2, at the home of Mrs. Gable. This meeting had been postponed from the previous week. Mrs. Roy Pollock, the president, presided. During the roll call, which was answered by a favorite author, it was discovered that Mrs. Walker had lived near White Sands, in Prince Edward Island, mentioned in L. M. Montgomery's books. Miss E. Gilroy, Miss J. Marritt and Mrs. Percy Mahoney were appointed as delegates to the Institute convention in Toronto, to be held on the 4th, 5th and 6th of November. Miss Joy Marritt led in a discussion on "Home Economics." During the discussion it was decided to send to the Department of Agriculture, Ottawa, for bulletins on the canning of fruits and vegetables, milk desserts, cheese, etc., for the use of each of the members of the Institute.

The October meeting of the Lakeside Institute will be held at the home of Mrs. Roy Pollock. It will be held in the evening, and the husbands of the members will give the program.

The Keswick branch of the Canadian Red Cross held a well-attended meeting on Monday evening, Oct. 7, in the schoolhouse. Mr. Percy Mahoney, the head of the campaign funds, reported that \$217.25 had been collected, and four more dollars had been promised. It was voted to send this sum to Red Cross headquarters in Toronto.

Mrs. Vail, the president of Keswick branch, said she was gratified at the number of members rejoining the Red Cross in the campaign, and the spirit of co-operation shown, and also the appreciation of the society to the collectors and to Mr. Mahoney.

It is planned to start a St. John's First Aid course for women, to the injured as soon as possible in Keswick. Dr. Pim has kindly consented to be the instructor. Will all interested in the course please communicate with Miss Gilroy. If a sufficient number of men were interested in a similar course, Dr. Pim is willing to be the instructor for a men's course in First Aid to the injured.

A meeting of the Women's Association of the United Church was held on Thursday afternoon, October 3, followed by a delicious supper, served to quite a large crowd. Mrs. Grant and Mrs. J. Cole were in charge of the supper. Among those who helped were Mrs. Davison, Mrs. Oldham, Mrs. Jim Cole, Miss Eva Gilroy and others. In the afternoon meeting, Mrs. Purdy had charge of the devotional part of the meeting. The 107th Psalm of Thanksgiving was read by Mrs. Purdy. This Psalm had been read in the service held at Gore Bay, after John Currey and William McGenerty had returned to safety. Mrs. McGenerty, the president, presided over the business part of the program. Rev. Mr. Lapp was the very able chairman at the concert immediately following the supper. All selections in the program were excellently rendered and much appreciated.

Miss Dorothy White gave a humorous reading. Mrs. Oldham and Mrs. Irwin Winch gave readings. Miss Doris McGenerty gave two piano solos. Miss Phyllis Winch played and Miss Betty Fisher and Miss Betty Morton sang a duet. A selection by the choir gave special pleasure.

A large group of young people from Westminster United Church Toronto, attended the evening service at Keswick United Church, last Sunday.

Mrs. Bradbury sang "Jesus Lover of My Soul" very beautifully during the morning service in the United Church last Sunday.

It is planned to hold a service of prayer in the United Church on Thursday evenings, beginning at 7.30 standard time. The choir practice will be held on Thursday evenings beginning at 8.15.

A household shower was held for Mr. and Mrs. Carson Pollock at their home on Monday evening, October 8. A number of very attractive and useful articles were received.

**HOPE**

Mrs. Clarence Case, Newmarket, spent last week with Mr. and Mrs. Stewart Pegg.

Mrs. Verne Smith is on the sick list. A speedy recovery is hoped for.

Mrs. F. MacKrell, Sharon, entertained the Hope Hobby Club on Tuesday.

The Women's Association are holding a quilting at the home of Mrs. Stanley Boyd on Thursday, Oct. 17. A good attendance is hoped for, as they wish to quilt two quilts.

Church services will be held as usual. Church 9.45. Sunday school 10.45. Everyone come out to church on Sunday, as special Thanksgiving music is expected.

Letters from our boys overseas appear in the Express-Herald each week.

"I am burning with love for your daughter."

"Don't make a fuel of yourself."

Use of industrial corn alcohol as motor fuel will be studied at the government's new regional farm products laboratory at Peoria, Illinois.

# GROWERS TOUR POTATO DEMONSTRATIONS

While the fine weather on Tuesday was being taken advantage of for thrashing, silo filling and potato digging, about 50 potato growers attended the Observation Tour of the potato demonstration plots located in the Ballantrae Mt. Albert, Holt, Sharon and Queensville districts to see how the various plots responded to the digging test. These plots of one acre were planted and supervised by Mr. J. A. Brown of the Department of Agriculture throughout the season, alongside of a half-acre grown by the farmer using the usual practices. Both plots were on manured land and planted to certified seed. The demonstration plots however, received 750 lbs. of 4-8-10 commercial fertilizer, and were sprayed five times with Bordeaux mixture to control leaf hoppers and late blight—a poison being added to the mixture for potato bugs when necessary.

Meeting at L. L. Peterson's at Ballantrae, the group was surprised to find the sprayed plot still fairly green as was the case at the other plots visited. The check plot in all cases had been dead for some time from the effects of blight.

W. M. Cockburn, Agric. Representative, in charge of the tour, had arranged with the owner in each case to dig two rows in each plot, one row to be bagged and weighed, the other row in each plot to be left on the ground. In some cases, there were a great many more small unmarketable potatoes in the check plot.

The greatest increase was on the farm of Robt. Knights of Queensville, where the yield from the Demonstration plot was three times that of the check plot. He had also saved his main crop by spraying. At Everton Goode's, Sharon, and L. L. Peterson's, Ballantrae, the yield was doubled and at Carl Moorehead's, Mt. Albert and Alan Hopkins, Holt, there was only a slight increase on the rows dug. Owing to silo fillers being at L. Herdman's of Queensville, he was unable to have his dug but there is a very marked difference in the vines.

The total yield of the rows dug on the farm visited, with rows ranging from 32 to 40 rods, was 28 bags and 6 lbs., on the check compared with 46 bags and 41 lbs. on the Demonstration acre. The highest yield computed on an acre basis was on Mr. Peterson's with 351 bus. per acre against 153 bus. In the official tabulation of the work, diggings will be made at four different parts of each plot.

The group also visited the farm of Douglas Campbell, Mt. Albert, where over 100 small test plots are located, testing various varieties, cultural methods and rates of fertilizers. W. H. Pugsley of Sutton, Chairman of the Agric. Committee of County Council and Secretary James Rennie of Markham, like the others present, were most enthusiastic about the display and are hoping their committee might be able to arrange to have a similar project continued in 1941 if the growers so wish. Attending the tour was Dr. G. P. McRostie, head of the Field Husbandry Department of the O.A.C., Guelph, under whose department the work is carried on in co-operation with the Central Experimental Farm at Ottawa. Mr. Norman Parks, supervisor of the work in the Alliston district, stated that very similar results were in evidence there.

**SHARON**

Anniversary services will be held at Sharon United Church on Sunday, Oct. 20. Morning service at 11 a.m. Evening service at 7.30 p.m. Rev. H. J. Mackay, sec. of Toronto Centre Presbytery, will be guest speaker in the morning, and the Rev. H. A. Halbert of Newtonbrook will have charge of the evening service. The Queensville male quartette will be present to assist the choir and will render special numbers.

On the following Tuesday evening, Oct. 22, a hot supper will be served in the hall. We are hoping for a good crowd at the supper, as there will be no program following the supper this year. Supper will be served from 5 p.m. (standard time) until all are served. Remember the date, Tuesday, Oct. 22, at Sharon Hall. Plan to be there.

There will be special Thanksgiving service at the United Church on Sunday, Oct. 13. Special singing during service. The church will be suitably decorated for the occasion. Sunday school at the usual time, 10 a.m. Everyone welcome at both services.

Mr. and Mrs. F. Tate and Miss Joyce visited Mr. and Mrs. J. D. Tate in Sutton on Sunday.

Mr. and Mrs. Downes from Vineland spent the weekend with Mr. and Mrs. James Parker.

Mr. and Mrs. Welby Stevens and Master Bob spent the weekend at Kirkland Lake and attended the wedding of Mr. Herb. Stevens on Saturday.

Mr. and Mrs. Alan Case and David spent Sunday with the Case and Oliver families.

Mr. Wilfred Oliver and Mr. Tom Smoothery of Toronto spent Sunday at Mrs. Oliver's.

Mr. and Mrs. McCorky of Toronto were Monday visitors at Mr. Parker's.

Master Lowell Pegg visited his grandparents, Mr. and Mrs. Wilfred Fountain last week.

Mrs. Clyde Dankert and children of Hanover, N.H., left for home last week after visiting Mr. and Mrs. Thos. Brown.

The Willing Workers met on Wednesday afternoon of last week at the home of Mrs. George Wood. The scripture lesson was read by Mrs. Ross Armitage, assistant hostess, and Mrs. Wood led in prayer.

The topic, "Samuel" was taken by Mrs. Elmer Starr, and appropriately, the roll call was "name a child of the Bible." Miss Ruth Armitage played a lovely piano solo, and sang "There'll Always Be An England," the members joining in the chorus. A delicious supper brought the meeting to a happy conclusion.

Mr. and Mrs. Winger, and the Misses Henderson of Gormley were supper guests of Mr. and Mrs. Douglas McClure on Sunday evening. Mr. Winger spoke in the Sunday School as Sunday was Rally Day at the Union Church; the Misses Henderson sang, and at the church service, Rev. Mr. Graham of Bradford officiated. The Misses I. Harper and B. Hope sang a duet at the children's service.

Miss Dora McClure is spending the week with Mrs. Barber, at Vandorf. Mrs. Barber's many friends at Bogartown and Pleasantville regret her departure, and also the fact that she must give up the presidency of the Pine Orchard branch of the Women's Institute.

Miss Evelyn Evans has taken a position in the office of Mr. N. L. Mathews, Newmarket.

The Pleasantville Girls' Home-makers' Club will meet on Saturday afternoon, October 19, at the home of Miss Hulda Starr.

Mr. and Mrs. Charles Toole, and Mr. and Mrs. Earl Toole and children dined on Sunday with Mr. and Mrs. R. Crone of Mount Albert.

Mrs. John McClure and Miss

Joyce VanLoven took tea on Monday evening with Mr. and Mrs. M. Sheridan.

## Things

## "Patchwork"

But let your gaze just shift a bit, And there you will behold A patch of dazzling loveliness, Of scarlet and of gold.

It marks a day of note to you, A something you had done— A book you wrote, a dress you made, Perhaps a song you've sung.

See, here's a block of solid black, When death—a sable angel swept Into your heart and home, And left you there—bereft!

And in these days of stress and strain, Each block is like a plaid, A color gay, when news is good, A somber shade when bad.

But life is still a patchwork Of colors woven fast; And every day, we add a block Until all time is past.

Our days are like a patchwork, Each block the same in size; But as we look them over Strange patterns meet our eyes.

Here's one of golden yellow, Like sunshine, bright and gay, It marks the dress you proudly wore,

To greet your first school day, And here's a square that's satin smooth,

Of softest rose in hue, It speaks a day when love was young,

And found its way to you. Look—here's a strangely mottled one,

Of blue and black and grey; It tells of many queer upsets That happen in a day.

You wake up blue, and skies are grey, And everything goes wrong; Until you feel the whole world's black,

And life's no grand, sweet song.

## NEWS FROM KING CITY AND DISTRICT

Mrs. Gordon Mickle and Mrs. Richards of Toronto called at Mr. A. McClure's on Sunday.

Misses Mildred, Roberta and Irene Gillies, and Elizabeth McClure visited Mr. and Mrs. Robt. McQuade of Collingwood on Sunday.

A son was born late last week to Mr. and Mrs. Floyd Burger of Barrie (nee Eleanor Wellesley). Mr. Burger is training in military quarters at Camp Borden.

Mr. Kenneth Scott is in training with Canadian troops at Niagara. He has enlisted with a Scottish regiment.

Seventy friends gathered on Saturday evening at Mr. Jas. Ball's, Eversley, in honour of two recently made soldier boys, Jack Ball and Leslie Kerr, who left on Sunday evening for training camp at Three Rivers. Presentations were made of signet rings. Miss McClure read the following address on behalf of the community and Presbyterian congregation.

"We have gathered this evening to honour our Eversley soldier boys, Jack and Les., on the eve of your temporary departure from our midst.

You have felt it your unbounded duty to take up the valiant cause of freedom and to fight for the liberty of the civilized world; a world only habitable by us where justice, mercy and peace reign supreme.

It is because of young men of your character that parents, loved ones and Canadian homes are protected. Where courage is demanded and hardship exacted you will know you are supported by our prayers and by our help. You do not journey alone. A community goes with you in spirit.

When the socks and smokes run low, we trust an ample supply will arrive from Eversley, for we hope to share our best with you. The socks may vary in size, and in shape, but you may conclude they are "designed" for feet.

Eversley church and community join in a hearty wish for your safety and success. We would commend you to rely on God for your daily strength, beginning each day with a prayer upon your lips and a mind open for His benefits and blessings.

The lads were greatly pleased for the occasion was memorable and significant. They attended Eversley church on Sunday evening before leaving for Quebec. Eversley W.A. meeting at Mrs. A. B. Wells' last week, set Dec. 4 as the date for a bazaar and tea to be held at Mrs. Gellatly's in the afternoon and evening.

On Sunday, October 13, Potteryville Baptist church will hold Thanksgiving service at 2:30 and 7:30 p.m. S.T. Rev. A. U. Russell of Ossington Ave. Baptist church will preach. King City pulpit will be supplied for the evening.

On Sept. 29 Kettleby Baptist congregation was gratified with successful harvest thanksgiving services. Flowers were everywhere, and the gift of many gladioli from a neighbour heightened the floral decorations. A mixed quartette from Maple assisted ably with the music, while Rev. Norman McLeod delivered excellent spiritual messages.

St. Mary Magdalene's church, Schomberg, enjoyed two excellent services for Thanksgiving harvest home last Sunday, in charge of the rector, and assisted by his son, E. V. Abbott, B.A. Rev. Professor W. B. Horan preached. Solos were sung by P. H. Skelton of Lindsay, and Simpson's Harvest Anthem, "Fear Not O Land," was sung by the choir, with soprano solo taken by Mrs. A. H. McLeod. The preacher chose Hosea 7:8: "Ephraim as Cake Not Turned," for the text in the morning.

Using the prophetic metaphor to illustrate modern conditions, the speaker showed that much of the trouble and calamity of these days is due to the fact, like Ephraim of old, we are neither one thing or the other. We are trying to adhere to two sets of loyalties. We are as cakes not turned—half baked. We need in our lives singleness of purpose, loyalty only to the best.

"Give us this day our daily bread," was the text for the evening, wherein the preacher explained Daily Bread. "That means more than the food we need, and the sustenance of our bodies or even the food of the soul. It includes every experience that comes from God, adversity, sorrow or joy."

On October 20, Laskay W.M.S. will hold missionary anniversary. Rev. Dr. Gordon Agnew of West China, is the speaker. Dr. Agnew has been honored at New York for his dental discoveries. His experience and knowledge of life in China is wide, and he will come with a special message. Services at 2:30 and 7:30 p.m. S.T. On Wednesday, October 23, Laskay Hot Fowl Supper will be held in the church.

Eversley W.M.S. invite interested workers to attend the fall rally at the church Wednesday, Oct. 16, at 2:30 p.m. S.T. Prominent speakers and guests will be present, and a very happy gathering looked forward to. Aurora Willowdale, Strange and West King associations will be among those present.

Corporate communion will be observed at All Saints' church, King, on Thanksgiving Monday, Oct. 14, at 9 a.m. D.S.T., by the A.Y.P.A. Deacons, West York. Mr. A. C. Allman of St. Paul's Church, Runnymede, will give the address.

October 27 marks the Sunday school anniversary of King United Church.

Mrs. S. V. Gates and Mrs. M. A. Halton, Burlington, experienced a collision at King City corner on Monday, when the cars they were driving sideswiped each other, doing considerable damage to the cars, but only slight to the occupants. Sgt. S. Barraclough arrived on the scene. The corner, sharply round and deceptive, is always dangerous, and rain and wet pavement do not add anything to safety.

With "Old Sol" smiling broadly athletes of Tottenham, Beeton, and Schomberg continuation schools met in annual competition on Friday, Oct. 4, for the handsome and coveted sports meet trophy. Good weather, good organization and good sportsmanship made the day an enjoyable one for students, teachers and spectators.

Schomberg C. S. athletes won the trophy for the second year in succession. Their point total was 80; Beeton 63, and Tottenham 51.

The outstanding athlete of the day was rangy "Ted" Armstrong of Schomberg, who took five firsts in the senior class. Irene McCabe, Schomberg, was leading point winner of the senior girls.

Oak Ridges Red Cross will cash in close to \$700 for the national drive, Donald Frisby, chairman of the campaign, announces. The area has been reduced somewhat, but a good response was exhibited.

## VANDORF

The regular monthly meeting of the Vandorf Women's Institute will be held at the home of Mrs. G. Preston on Wednesday afternoon, Oct. 16, at 2:30. The motto for this month is "Let us take time for worthwhile things," and our Institute is one of the worthwhile things, so we hope there will be a good attendance. Roll call, "Thanksgiving Thoughts from Prose or Poetry." The topic "Home Economics" will be given by Mrs. C. Moynihan. Current events by Mrs. J. Hennessey. Hostesses, Mrs. Hennessey, Mrs. V. Finnes and Mrs. Wright.

The "Cavalcade of Europe," given by Rex Frost, a week ago, at Vandorf Hall, was well attended, considering the busy time. The pictures were clear and educational, as was also Mr. Frost's explanation of each. One lady was asked, "Well, how did you like it?" and her reply was, "I can't say I liked it, but I'm glad I saw it. It makes one feel you just want to do all you can to help," and that just expresses it. To see the beautiful historic places, the happy home and community life pictured before you, then to see the horrors of war let loose on the same places, does indeed make us realize the awfulness of it all, but the winning smile of our gracious king and queen gives us heart and determination to do our part to the end.

We are sorry to lose Mr. and Mrs. Loy Carr and daughters from our community, but wish them better health and much happiness in their new home.

Miss Ruth Oliver, Mr. and Mrs. Jas. Oliver, and Mr. and Mrs. Harry Sproston visited Mr. and Mrs. Dave Ellis in Waterloo a week ago Sunday, returning early Monday morning.

The Pleasantville ladies held a Red Cross quilting at the home of Mrs. Ralph Willis Tuesday afternoon of this week. Mrs. Tucker and Mrs. G. McClure had dinner with Mrs. R. Willis that day.

Office and factory forms of the Davis Leather Co., Dixon Pencil Co., and the Dorland-Bender Casket Co., are printed by The Express-Herald.

Flannigan, and that the seal of the Corporation be attached to this resolution.—Carried.

Moved by E. M. Legge, seconded by Burnell Graham, That the treasurer be authorized to issue a cheque to Laura Shank for the amount of \$1.10, the same being to cover the credit note on the 1939 Marsh Maintenance on Part of Lot 15, Concession 2, (O. S.) The full amount of the 1939 taxes covering this property having been paid by the above named, and that the seal of the Corporation be attached to this resolution.—Carried.

Moved by E. M. Legge, seconded by B. Graham, That the clerk be instructed to advertise for tenders re snow removal or plowing on our several roads for the coming winter. He to have all tenders in by November 2nd, 1940. Specifications obtainable at the office of the township clerk.—Carried.

Moved by Wm. E. Barker, seconded by L. B. Goodfellow, That the Burglar Insurance policy (Chas. H. Ross, collector), be and is hereby renewed with the Employer's Liability Assurance Corporation through their local agent, Cameron Walkington, King, Ontario. The premium to be \$9.00 and that the treasurer be authorized to issue a cheque to Cameron Walkington upon receipt of the policy, and that the seal of the Corporation be attached to this resolution. Insurance to come in force Oct. 1st, 1940.—Carried.

Moved by Burnell Graham, seconded by E. M. Legge, That the Game Warden for the year 1939 be and are hereby reappointed for the year 1940, and that C. J. Fox be reappointed in lieu of W. B. Carr, who has moved from the Township, and that the seal of the Corporation be attached to this resolution.—Carried.

Moved by E. M. Legge, seconded by Wm. E. Barker, That the issuers of pheasant hunter licenses for the year 1939 be and are hereby appointed for the year 1940, and that the seal of the Corporation be attached to this resolution.—Carried.

Moved by E. M. Legge, seconded by L. B. Goodfellow, That in the matter of the petition of the several ratepayers of the village of Ansonveldt, this council hereby instructs the Reeve and Clerk to take up this matter with our solicitor and report back to this council at our next regular meeting.

And that the Clerk be further instructed to certify the validity of the several signatures on this petition and report the result of this certification at our next regular meeting.—Carried.

Moved by E. M. Legge, seconded by Burnell Graham, That the King and Vaughan Ploverman's Association be given the usual grant of \$40.00 for their prize list, and that the seal of the Corporation be attached to this resolution. Cheque payable to A. B. Wells, King.—Carried.

The meeting then adjourned to meet at the Community Hall, Nobleton, on Saturday, November 2nd, 1940, at 9 a.m., or at the call of the chair.

If you have tried an Express-Herald classified advertisement, you know the results!

## FIRE PREVENTION WEEK

## DEFECTIVE CHIMNEYS AND FLUES

Chimneys should be cleaned out regularly and not allowed to burn themselves out, as sparks often escape through cracks in the chimney and set fire in the attic, or they may drop on dry combustible roofing, setting fire to it.

## SPARKS ON COMBUSTIBLE ROOFS

This hazard can obviously be eliminated by means of incombustible roofing material instead of a material that will ignite readily when exposed to sparks or flying brands from other fires.

## LIGHTNING

The tremendous toll of life and property damage annually caused by lightning can be materially reduced by means of well installed lightning rods which have proven to be nearly 100 per cent efficient.

## SPONTANEOUS IGNITION

On farms this occurs most frequently in under-cured or damp hay, although it also takes place in numerous other substances.

## MATCHES

Make sure that your matches are completely out before discarding them. A good practice is to break them in two after the flame has been extinguished.

## GASOLINE OR KEROSENE

Gasoline or kerosene should never be used to start or revive a fire. Avoid the use of gasoline, benzene or other inflammable liquids for cleaning floors or clothes.

## HEATING EQUIPMENT

Heating equipment should be properly installed, operated and maintained. Wooden floors under stoves should be well protected.

## ELECTRICAL WIRING

Electrical wiring and repair work should be done by a competent electrical contractor.

W. W. OSBORNE,

Fire Chief.

The Express-Herald sponsored the Soldiers' Comforts Fund which the boys overseas appreciate so much. The 150th anniversary of the United States Coast Guard is being celebrated this summer.

### FOURTEEN DAYS IN JAIL FOR DANGEROUS DRIVING

(Continued from Page 1, Col. 1) less irrationally with a thick tongue, and had a lot to say, with not much sense to it. He told me all about his war record and what a good fellow he was, and hoped I would do something for him. He could walk better than he could stop, swaying forward when he came to a stop. His breath smelt of liquor and he was far past the stage of being able to drive a car. He would talk a while and then he'd stop and cry. He admitted drinking.

"From information received from Chief Reeves of Bradford I proceeded to look for the car which had been damaged in the accident," stated Constable Ferguson. "Arriving at the intersection of Yonge and Eagle Street I saw the car answering to the description of the car I was looking for. As soon as I entered the refreshment booth, Woodley said, 'You can't do anything to me, I'm not driving now.' He was unsteady on his feet, his breath smelt of alcohol and he was quite talkative. We took him to the police station where he was examined by Dr. Boyd. That was well over an hour later."

"I had been working as a carpenter at Camp Borden, and quit work that night at 5 o'clock," said accused. "My partner and I went to Angus for supper and picked up two soldiers near Churchill. We stopped at Bradford and had a couple of glasses of beer, and I let one of the soldiers drive my car. I was sitting in the back seat when I heard them chip a fender. Then they jumped out and left me. I drove on down to the service station to get someone. I didn't have time to get intoxicated after I quit work."

"There is no evidence that this car was the same car involved in the accident, and I am dismissing that charge," ruled Magistrate Woodliffe. "On the dangerous driving charge, \$10 and costs or 10 days, and 14 days in jail. For driving while intoxicated, jail for 14 days to run concurrently with the dangerous driving charge. Your license to drive will be suspended for three months, and your car impounded for three months."

Clarence Sedore of Keswick, charged with failing to register auto and careless driving was fined \$10 and \$8.25 or 10 days on the first charge, and \$10 and \$1.50 costs on the second charge. Walter Nesbitt of Aurora, charged with careless driving and dangerous driving as the result of an accident north of Aurora, which involved a car driven by Corporal J. G. Quinell of Willowdale, two soldiers in this car being seriously injured, and whose evidence was heard two weeks ago, appeared with three more witnesses.

Constable Ferguson and Corporal Quinell testified previously that the impact occurred one foot east of the easterly lane. Accused was travelling south on Yonge Street.

The accused stated that he turned out to pass a bicycle but his right wheels never left the right lane. The car coming to wards him turned out to pass two other cars, and struck him as it pulled back in line again. He produced photographs showing where the impact took place.

Gunner Lloyd of Hamilton. Mrs. Nesbitt and Marie Arnott corroborated this evidence.

"The mark shown in the picture is about where an accident occurred a month ago," stated Constable Ferguson. "There is no doubt whatever that the accident happened at the east of the easterly white line. At the time of the accident Nesbitt thought he was over in the centre farther. Lloyd was staggering around at the time."

Nesbitt was fined \$25 and costs or 30 days, and his license to drive suspended for six months. Harry Kitchen of Schomberg, charged with driving while intoxicated, careless driving and illegal possession, appeared for sentence.

"On the drunk driving charge I am not satisfied with the evidence of the doctor that you were in an intoxicated condition," commented His Worship. "There is no doubt that you had been drinking the day before, and I am inclined to think you were suffering from a hangover. The evidence of careless driving is very meagre and there is not enough to register a conviction. The officer says the car was swerving, and accused explains that by saying the steering wheel was slightly loose. That charge will be dismissed."

On the charge of illegal possession, defence counsel pleaded guilty to consuming, to which Crown Attorney Mathews objected. "I would like some evidence and proof as to where he got the liquor," stated the Crown.

Accused said he purchased it on the 16th of September in a liquor store on Rogers Road in Toronto on a single permit.

"Did you sign your name if

ceived a fall, and at time of writing, it is feared he has a fractured back.

Kitchener?" asked the Crown.

"Yes," replied accused. "Why did you do that?"

"I don't know."

"Are you on the interdicted list at the present time?"

"Not that I know of. I was put on five years ago."

"May I suggest it was because you thought you were on the interdicted list?"

"No."

"My submission is that he got the liquor illegally," concluded the Crown.

This case was adjourned for judgment until October 15.

Mall Smith of Richmond Hill charged with having no operator's license by Constable Ferguson, was fined \$25 and costs or 30 days in jail.

This case had been adjourned for several weeks. A letter was received from the Department stating that accused had applied for a license the day after the charge was laid. Smith had sworn that he applied earlier for a license.

Major John Gorlick of Camp Borden charged by Constable Ferguson with careless driving, was fined \$10 and \$9.75 costs or 10 days.

Grace Palmer of Toronto, testified that she was driving from Newmarket, and as she turned the corner at Eagle Street, was struck by a car driven by Major Gorlick. She thought he was driving too fast. Her car was damaged to the extent of \$170. These damages had been settled by accused.

Constable Ferguson testified that accused admitted to him that he hadn't seen the light at the corner.

Major Gorlick stated that a car coming from the north, and passing through the green light, had been the cause of the accident. He had been driving a car for twenty years and this was the first claim on the Insurance company.

Albert Evans of Weston, charged with careless driving by Constable Mount, was fined \$5 and costs or 10 days, and it was recommended that his license to drive be cancelled.

"I was travelling west on Eagle Street at about 9.15 p.m. on September 26, when this car pulled out at the stop street without stopping," testified Roy Collings of Bradford. "I swerved to miss him and went into Taylor's parking lot."

Evans stated that he didn't know it was a stop street.

William Thompson of Newmarket was fined \$10 and costs for having no chauffeur's license.

Constable Watt testified that Thompson had been gathering tin from the dumps and carrying
